

# HOW TO AVOID ZOMBIES

David Hartburn

(what is my twitter, if I remember to look  
at it)

# The problem.....

- Add picture of Whitstable sea front.....

Traditional  
zombie

Phone  
zombie

+  
Cyclist

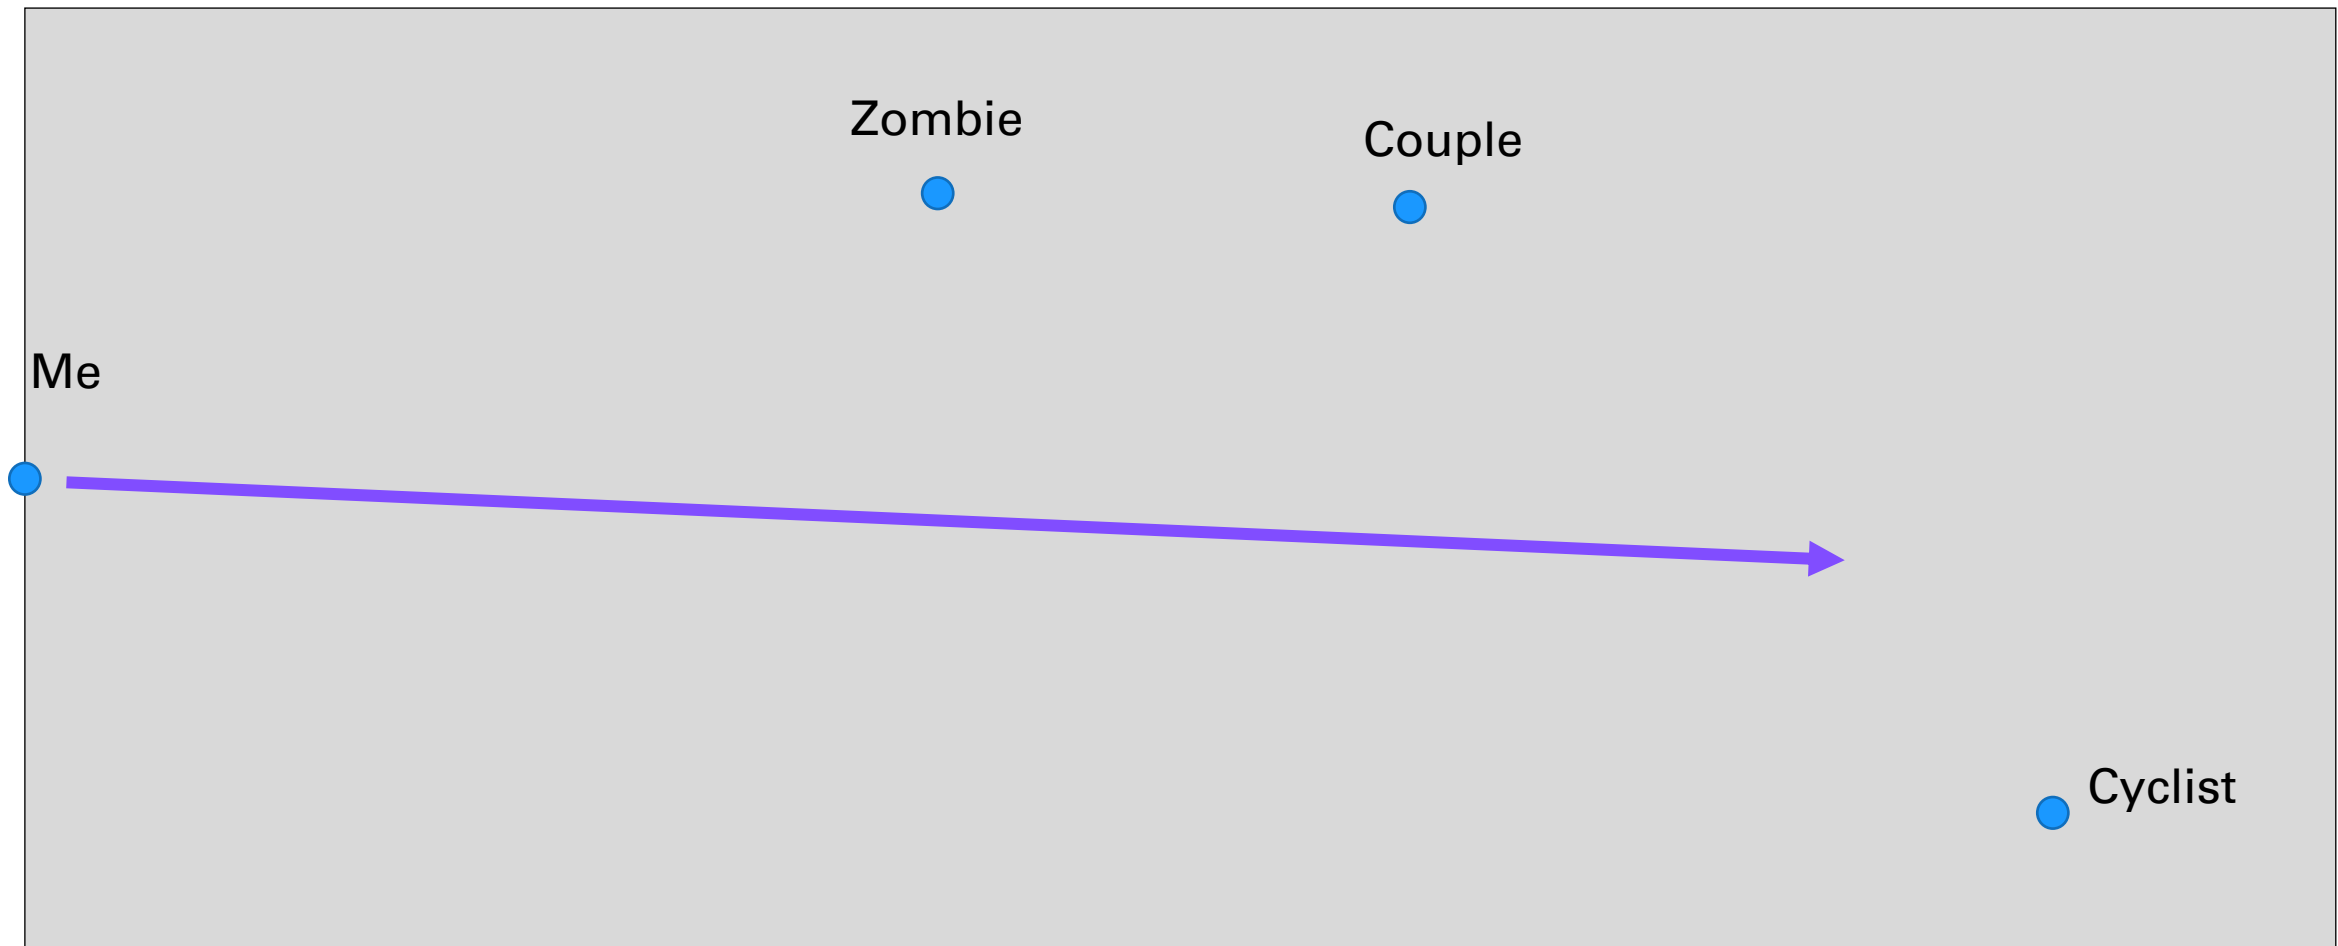

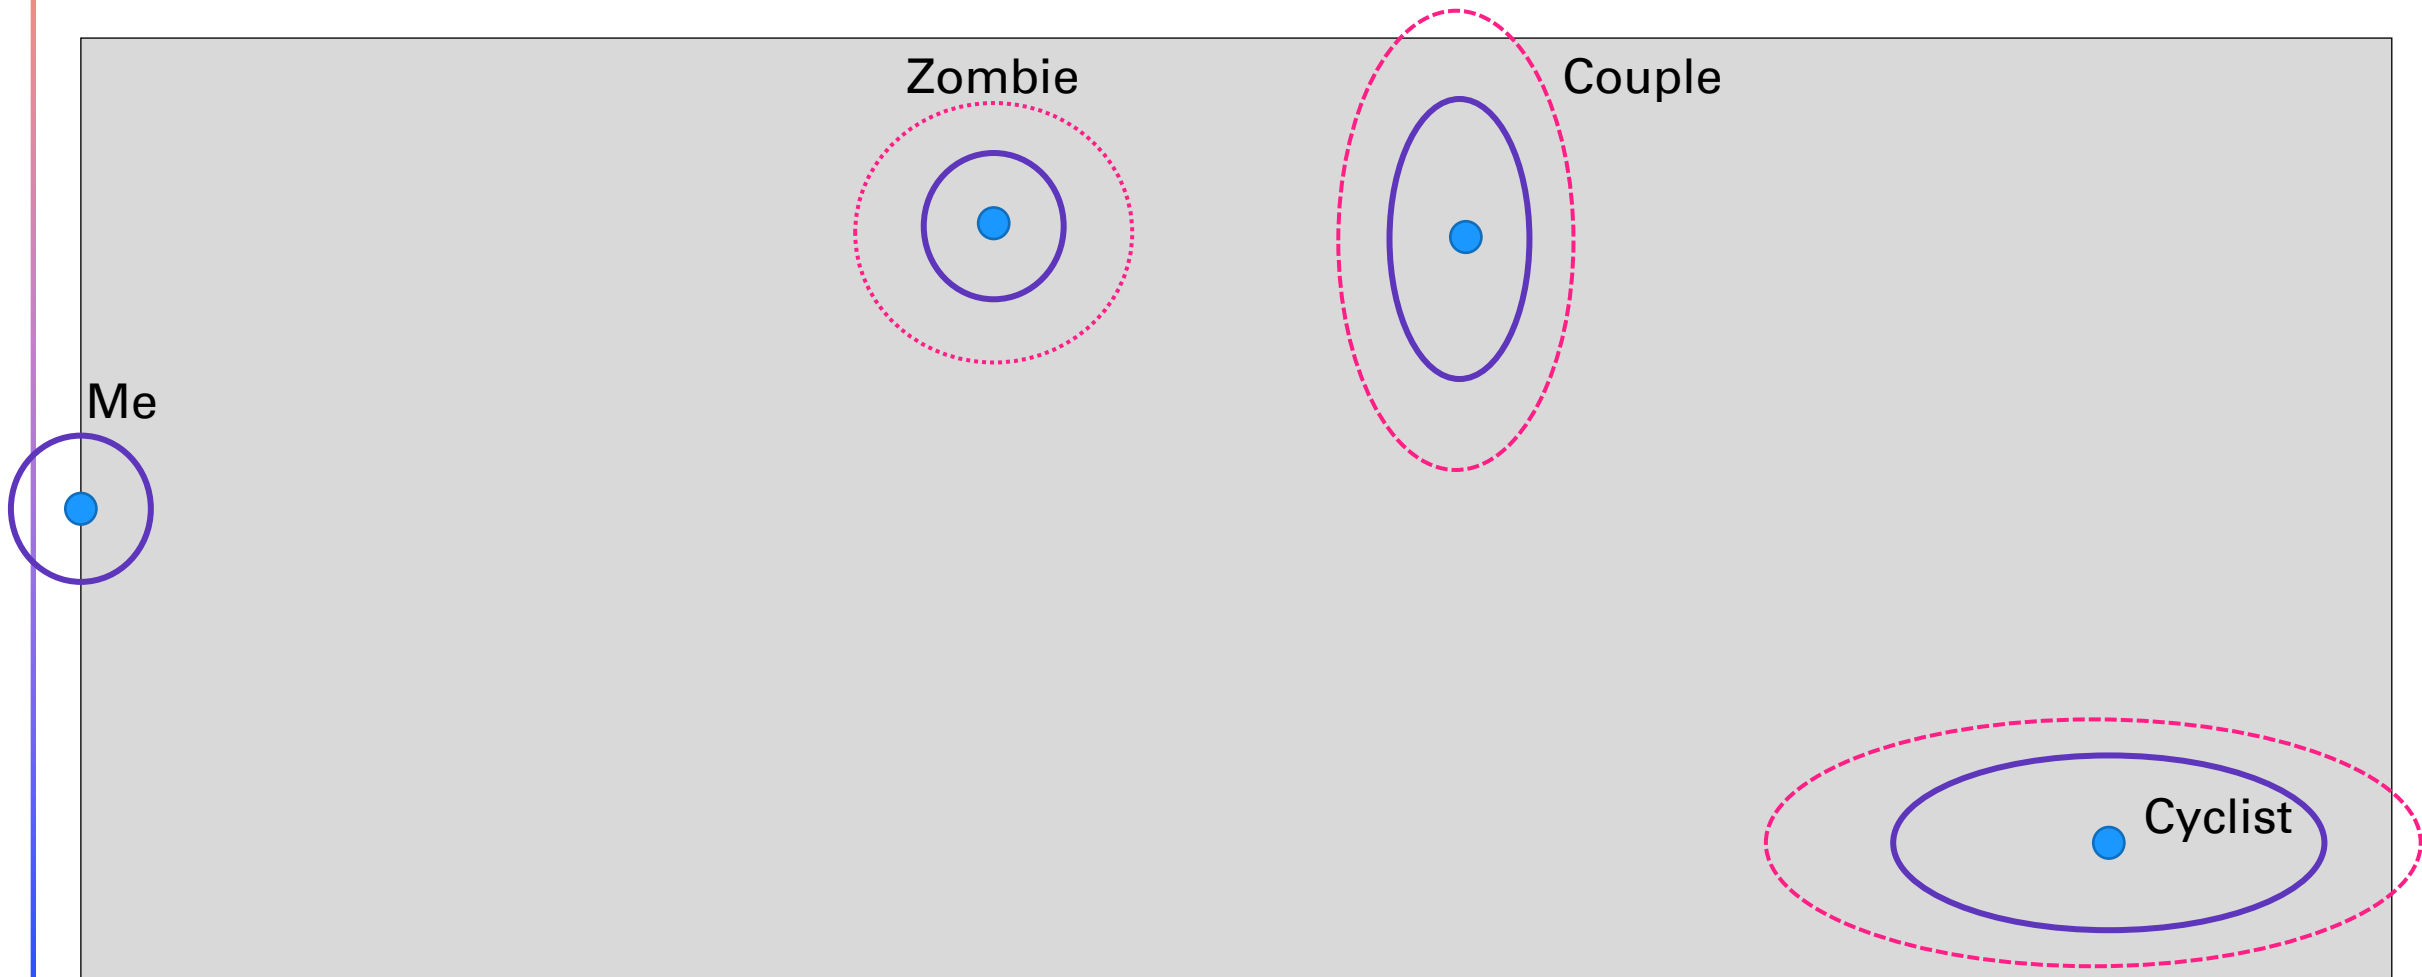

I know.  
NOT a robot.

# Diagram it out

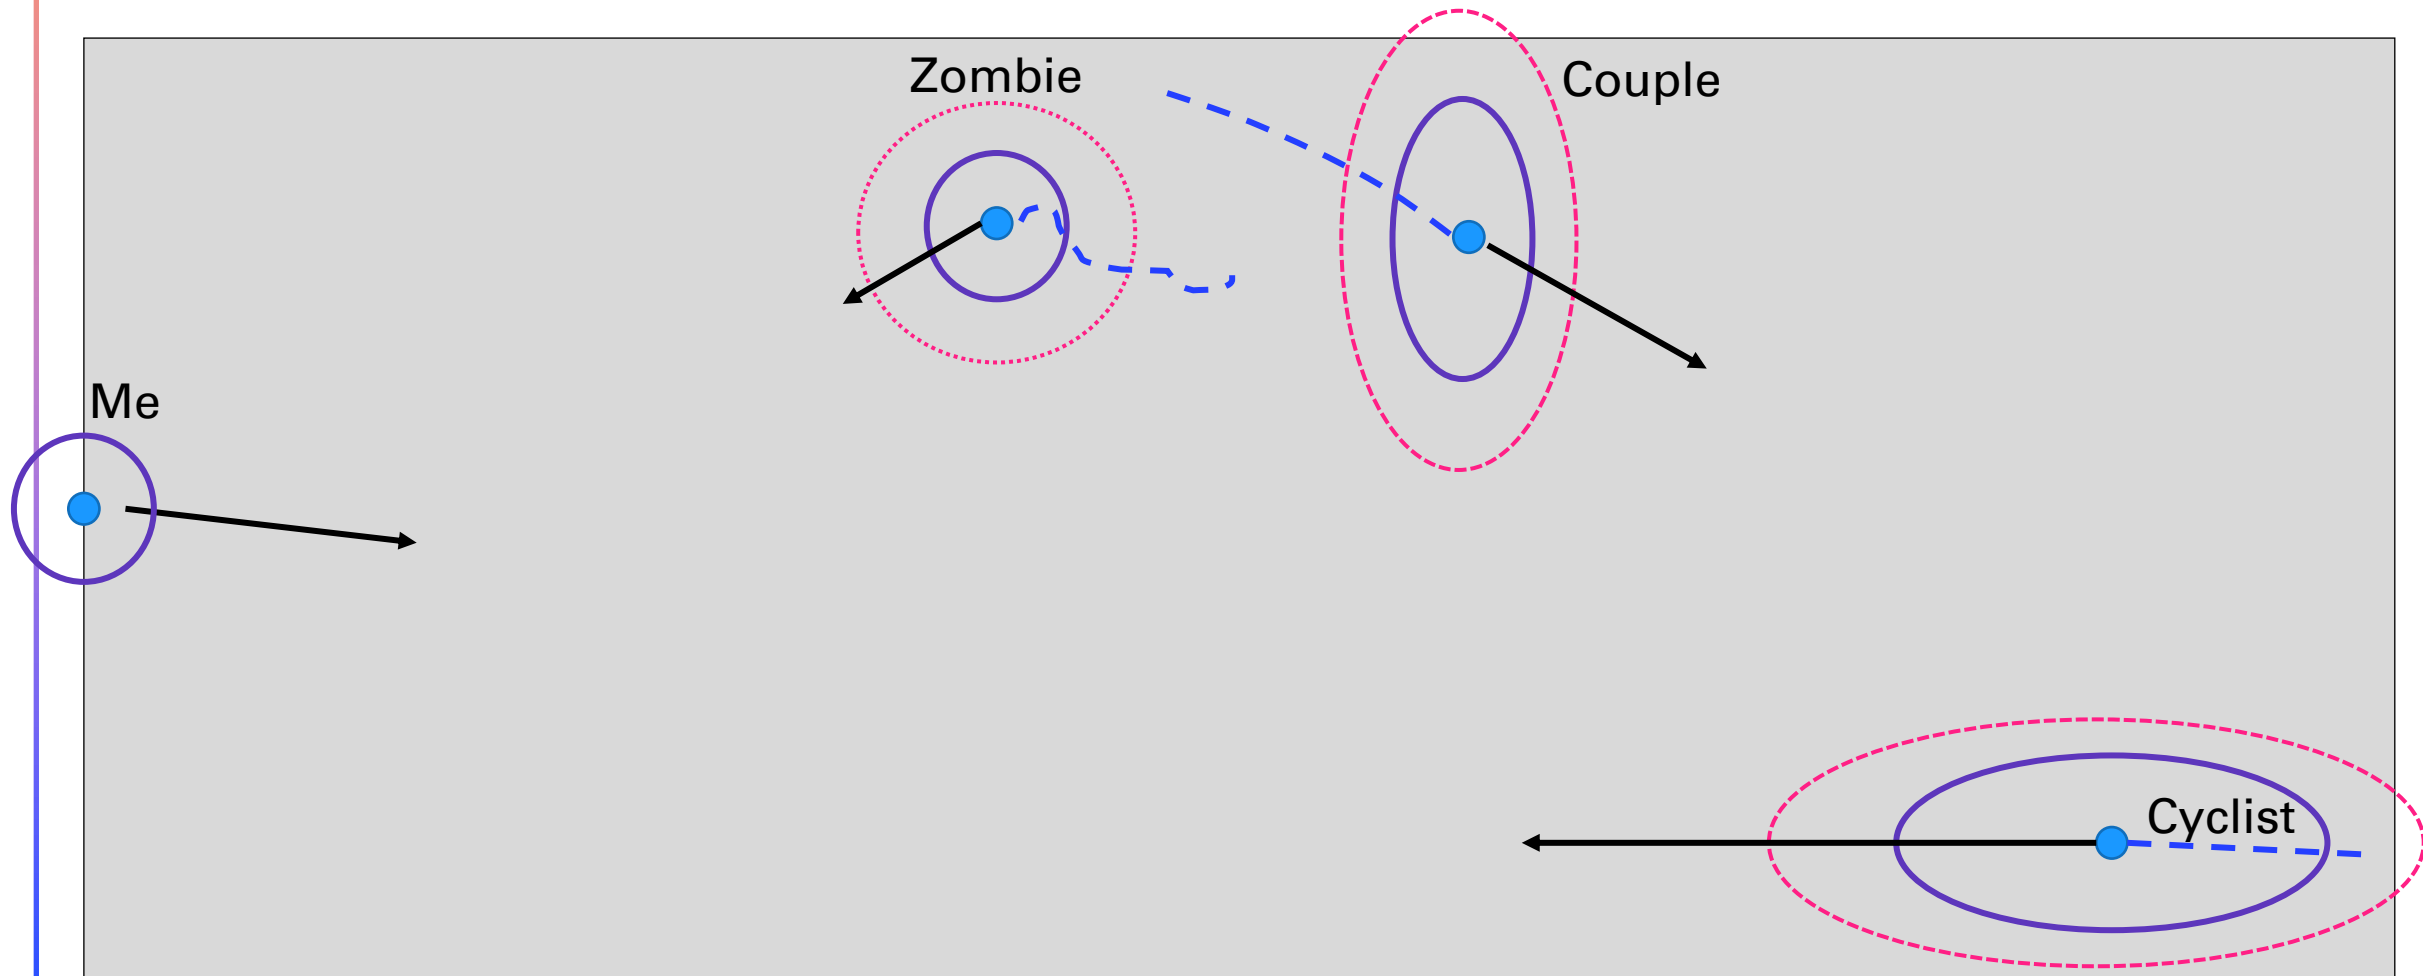

# Assign size and politeness

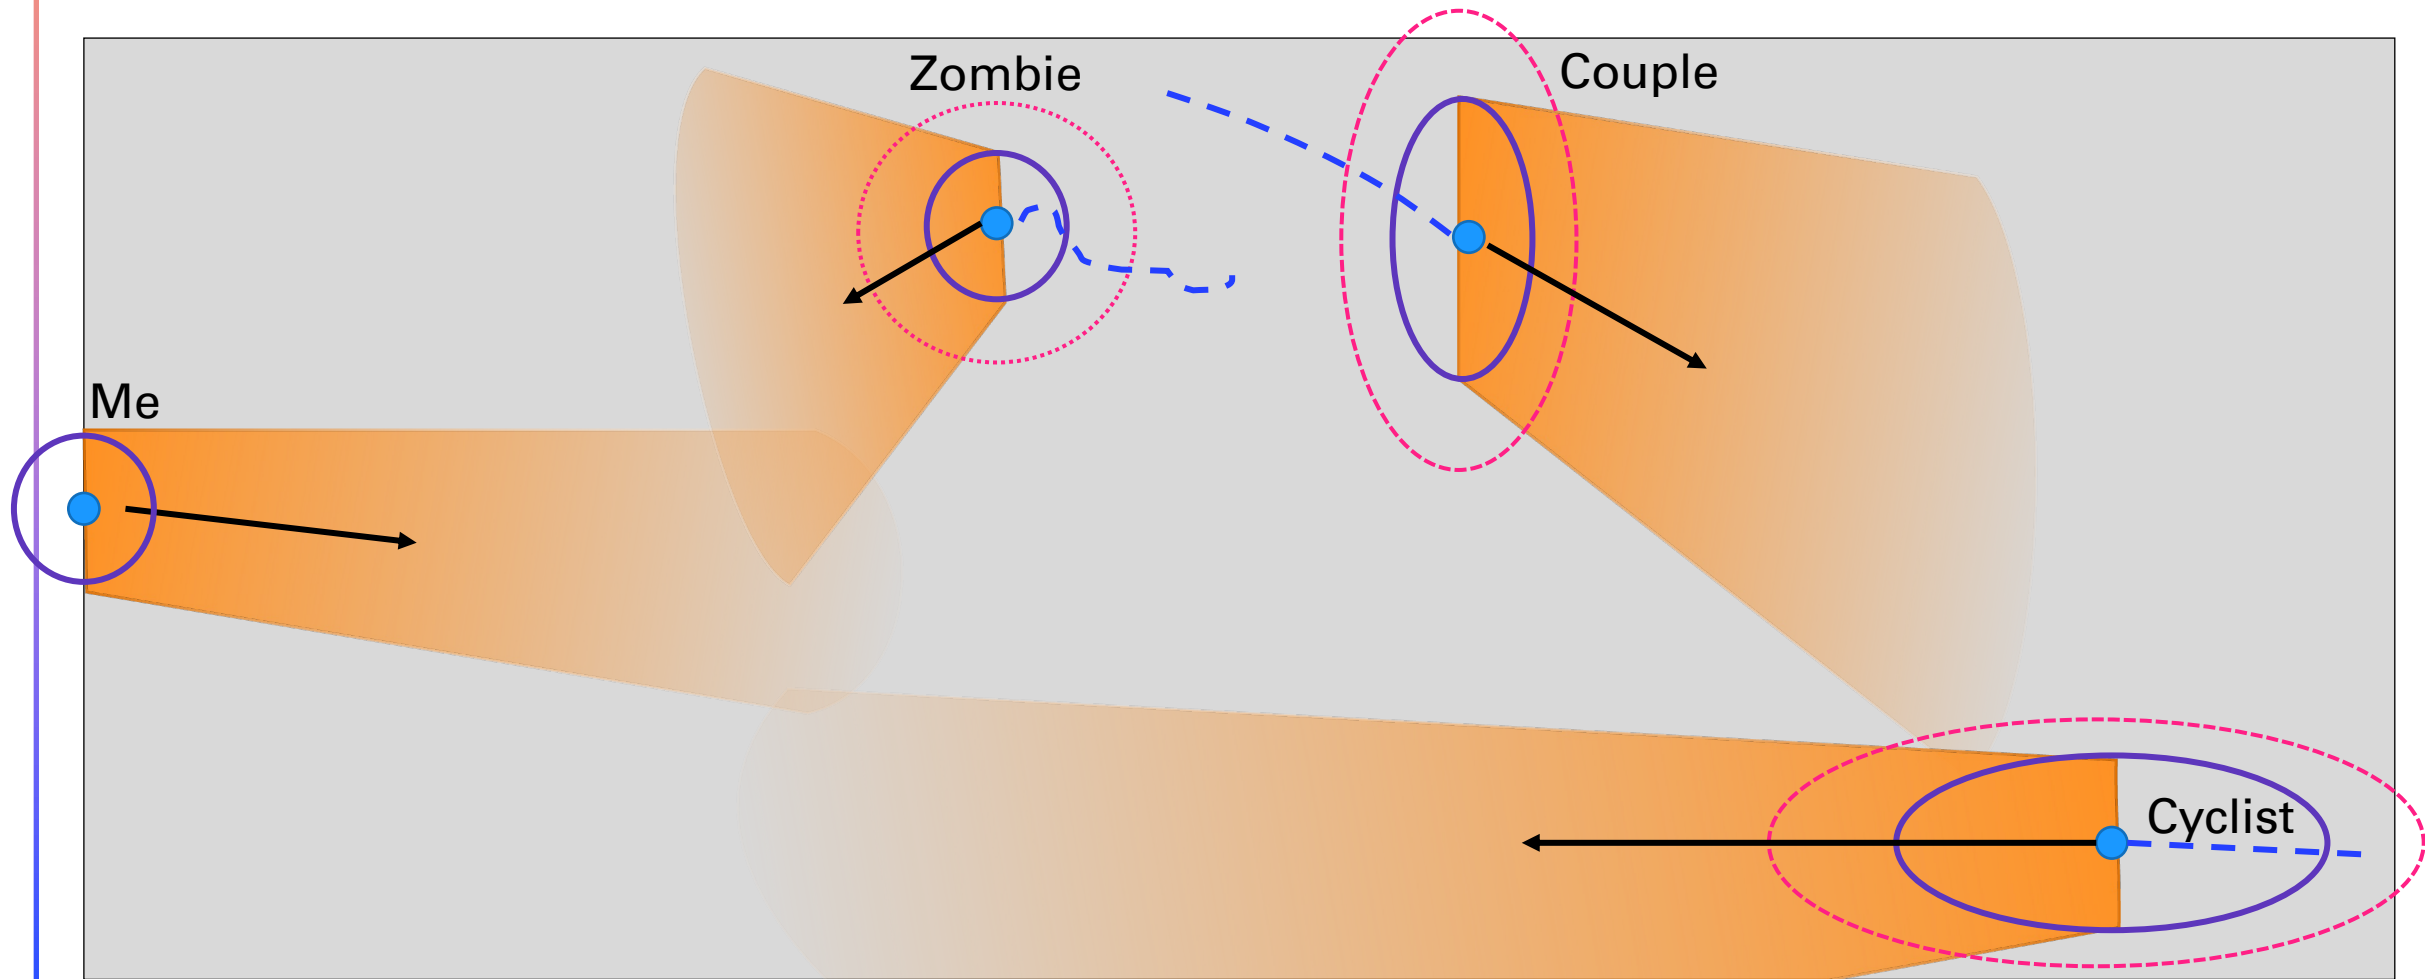

# Add a velocity

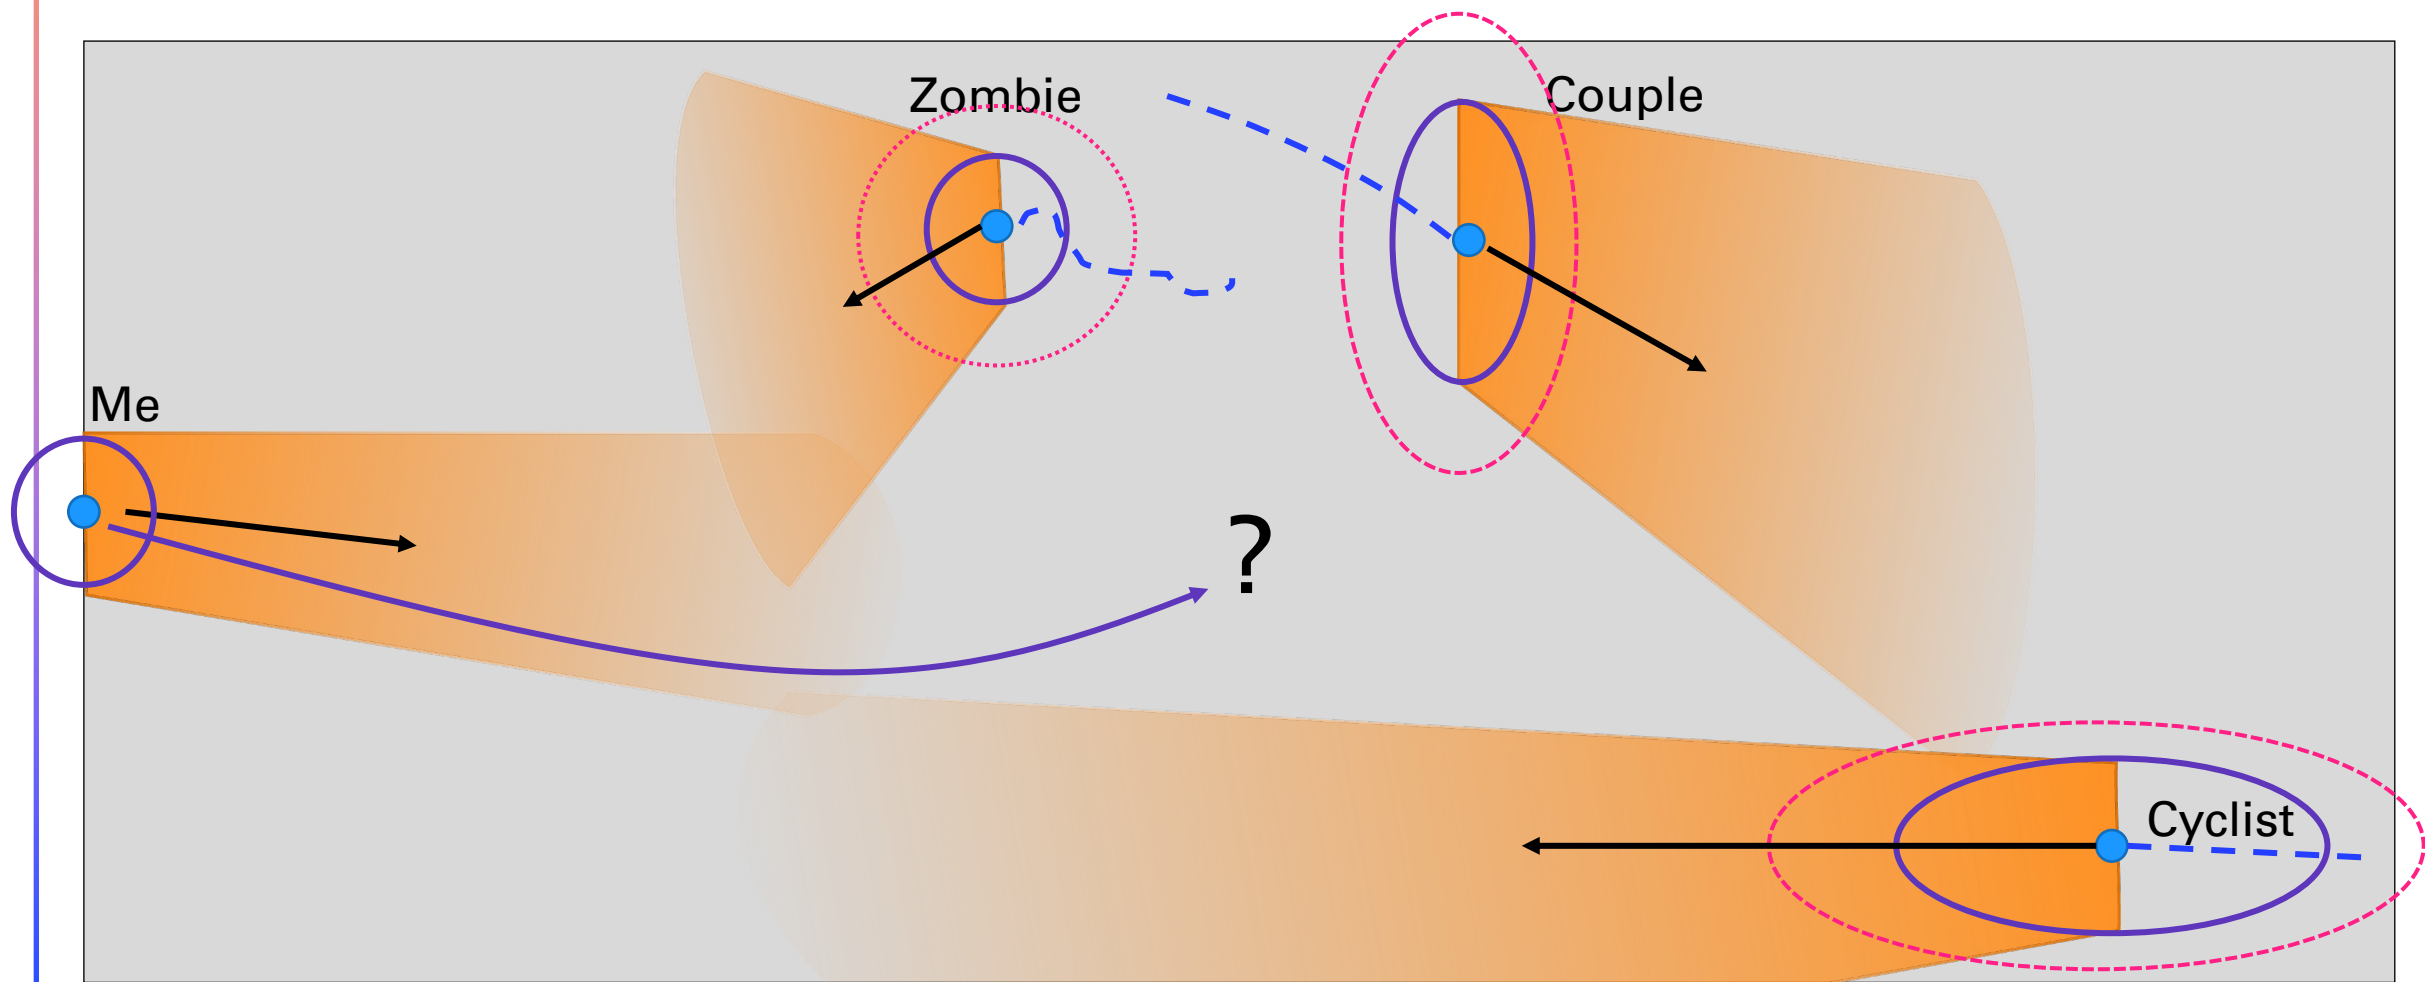

## And a history

# Predicting the near future

# Where now?

# MOST DIFFICULT OBJECT TO AVOID?

Takes up a lot of space  
Erratic in movement

Thank You
